#NEVER STOP PLAYING

Sport should remain a living part of everyday life, not just something we watch and remember.

SPORTS-PLAYING

THE OPPORTUNITY

The brand tells people not to stop playing.

BUT WHAT ABOUT THE PEOPLE WHO ALREADY STOPPED?

PARTICIPATION IS THE NEW FIELD OF PLAY.

WE DIDN’T STOP LOVING SPORT.

01 SCHOOL

02 COLLEGE

03 JOB

04 RESPONSIBILITIES

We simply stopped making time for it.

AND THEN WE FORGOT THE VERSION OF US THAT PLAYED.

“I’ll play next Sunday.”

AND NEXT SUNDAY NEVER CAME.

WE DON’T JUST LOSE A SPORT. WE LOSE A VERSION OF OURSELVES.

NOT A HIGHLIGHT REEL

Most last games were ordinary. That is why we never noticed they were ending.

SPORT STAYS CLOSE. PLAYING SLIPS AWAY.

WHEN DID YOU STOP?

THE OPENING

Most people never planned for their last game to be their last. **THAT'S THE OPPORTUNITY.**

A social-first platform that finds the people who left their favourite sport behind — and helps them return.

MOCK-UP — ACTUAL CAMPAIGN USES REAL PARTICIPANT STORIES WITH CONSENT.

The brand does not manufacture a story. It helps a real one continue.

Not the hero of every story. The reason someone gives themselves to start one again.
